

Canada's Second Annual

GREEN POWER TRADE SHOW

Program Update

The Green Power Trade Show is being held in conjunction with the Independent Power Producers' Society of Ontario annual conference **November 27th and 28th, 2001**. The Show brings green power exhibitors, producers, and suppliers of equipment and financial services together with potential consumers, environmental and community groups, including energy co-operatives. Please join us at the Sheraton Parkway North Hotel, 1-800-325-3535, at 600 Highway 7 East, 10 minutes north of Highway 401 at three major crossroads (Highway 404/Don Valley Parkway, Highway 407 and Highway 7) or via the Highway 7 bus from Finch subway, which leaves every half hour. For more information visit www.yorkregiontransit.com.

The Green Power Trade Show is presented by the Sierra Club of Canada, Toronto Environmental Alliance and the Canadian Institute for Environmental Law and Policy. Exhibitors include: Canadian Renewable Energy Corporation, Canadian Wind Energy Association, Consulate General of the Netherlands, EnerWorks, Environment Canada, Environment Commissioner of Ontario, GCK Technology, Lagerwey the Windmaster, Ministry of Energy, Science and Technology, Natural Resources Canada, NUON, Ontario Power Generation EverGreen Energy, Ontario Sustainable Energy Association, Phantom Electron, Polymarin, TerraChoice Environmental Services, Toronto Environmental Alliance, Toronto Hydro Green Energy Services, Toronto Renewable Energy Co-operative, Vestas Canadian Wind Technology.
